# Follow These Easy Steps to Upgrade

- 1** Contact your local KaVo Imaging Consultant or Henry Schein Representative, or visit [go.kavo.com/TN-upgrade](https://go.kavo.com/TN-upgrade) to get started.
- 2** The KaVo Imaging Consultant or Henry Schein Representative will set a short appointment to prequalify your office and present a live demonstration of DEXIS Titanium.
  - Supported Operating Systems: Windows 10 (*Professional Edition only*); 32 or 64 bit
  - Your Operating System must be up-to-date with the latest Windows update
  - If you are using DEXIS 11, your setup will need to be converted to DEXIS 9.5 or DEXIS 10.1
- 3** Once prequalified, use promo code *TNUpgrade* on your order.
- 4** Schedule your Tech Support appointment online: <https://kavoimaging.as.me/TNUpgrade> You will need to enter the serial number of the sensor you are trading in. You must complete your Tech Support appointment in order to receive your return shipping label. You will receive your shipping label via email within 2–3 business days after your appointment is completed.
- 5** Mail back your old sensor with the return label emailed to you.
- 6** Enjoy using your new DEXIS Titanium sensor!
